Mr. Paul Toland, Jimmy, 9, Mrs. Toland. Standing: Greg, 16, and Teri 11.

Queen Sheri Gerritiz, Mr. Toland, Mrs. Toland, and prize-winning Greyhound.

He milked cows for an Iowa spinster as a youth to earn enough money for his education. He's been to five institutions of higher learning with an LLB in law and a degree in mathematics as a result of his years of study. He was in Nagasaki after World War II and has seen the effects of the atomic bomb. He has visited such far away shores as Saipan, Eniwetok, Okinawa, Guam, and the New Hebrides. He owns a pilot's license, sells real estate, and raises and trains greyhounds. He likes to read Perry Mason novels and believes that men should do what makes them happiest, and not take an occupation because other men think they should. He has taught school for sixteen years and says he will continue to teach until he can no longer see the blackboard.

He is Paul Toland and we dedicate this annual to him because he has found the time to become involved, not only in teaching mathematics, but also with his students. This is the way we thank him for his inspiration and his interest in us . . . not only as students, but as people.

A Queen Is Crowned

Homecoming week was a week full of excitement for both the court and the students of Reynolds High. During the week each class selected a princess to represent their class. Nancy Callister was the Freshman choice. Sophomore Kathy Wisely represented her class. The juniors chose Le Ann Hart as their princess, and the Seniors selected Judy Briece and Martha Carpenter. The week's activities ended with the crowning of the 1967-68 homecoming queen at the assembly Thursday afternoon. At the announcing of the queen to a silent and wondering crowd both tears of joy and happiness were shed by the teary-eyed Judy Briece and a pleased student body as Bruce Campbell, Student Body President, crowned our new queen and presented her to the students. The many unforgettable moments of the 1967 Homecoming will long be remembered to all of us and especially to those students who played a part in making it one of the best yet.

Irene and her American family, the Stewarts.

Irene Theodosaki was born on the largest island of Crete, adding to the population of Iraklion, the largest city on the island. She had always stayed within a small perimeter of this sea-port town, except for one excursion to the Grecian capital of Athens. Then, within a matter of a few months, Irene found herself far beyond the limits imposed by her childhood, on the other side of the world, learning to know and understand another people.

Irene will always recall the many people she has seen, and the things her touch with the world of mankind have taught her.

She will remember a city she terms "beautiful", her second home town, Portland, Oregon. She will remember her distress at the rumor of cowboys and Indians and their wars and fighting, and will recall how relieved she was when she learned that one had to go to a rodeo to see cowboys and Indians.

Irene will think of her first encounter with the cold, iciness of her first snow fall. She will remember a tumble into the Pacific Ocean, much too cold to swim in.

But most of all, Irene will remember her many friends, some born in Troutdale, and others in such far away places as the Philippines. She will think of the "friendly kids" and the "more friendly teachers," and she will know, as many others do not, that at each end of the globe, people are alike in the way that they feel toward each other . . . regardless of any differences inclimate, geography, or government.

And we at Reynolds High School can share the memories of this girl who has shown us that all men can get along together in friendship and understanding.

Mrs. St. Maugham	Susan Pender
Nurse	Donna Coffman
Olivia	Jody Bunnet
Judge	Bill Bailey

Madrigal tells Mrs. St. Maugham about the terrible gardening.

Laurel talks about her past.

Little Lady appears on the scene to apply for a job.

Smiles of happiness are expressed when Laurel decides to leave with her mother.

Mrs. St. Maugham speaks with the Judge.

A sneak preview of Maitland putting the Judge's make-up on before the production.

Taking part in the discussion about murder is quite interesting.

Senior Calligo, one of the oldest organized clubs at Reynolds High, is affiliated with the Portland Branch of the Young Women's Christian Association. Its members include junior and senior girls.

"Since Calligo is traditionally a service club, our goal is to be of service to the students of Reynolds, and people in the surrounding community," asserted the 1967-68 President, Nancy Ernst. This year's girls did fulfill their ambitions by completing several service projects. To mention just one, in December they filled more than a dozen Christmas stockings which were distributed by the Red Cross.

This year's officers are: 1st row (R to L) Vice-President Shirley Toda, President Nancy Ernst, Secretary Kim Lillengreen, Treasurer Eileen Anderson.

Club of the Year Goes to Lettermen

Pedro Estrada, Steve Berliner, John Bussanich and Rick Pert represent the four areas of spring sports.

The Club of the Year for 1968 is Letterman's Club. As a service to the school, Letterman's Club was in charge of changing the activities billboard located near the administration building. They also served as waiters for the Father-Daughter Banquet and held ropes at pep assemblies to keep students off the floor. At the Beaver Baseball Opener the club ushered as a service to the community.

Letterman's Club did not limit themselves only to a few tasks, but also donated money for various school projects. They donated money from their treasury for the fund used to supply the athletes with Reynolds sports jackets. They also donated the banners in the gym at a price of \$25 apiece.

Lettermen escort the girls of the month at the final Girls' League assembly.

The Reynolds Cross Country team of 1967 came on with a strong potential. Although this season they only took one first, they showed great improvement.

Doug Foley, who placed high in many meets, was named most valuable runner of the 1967 season. Larry Moluf held the honor of being captain of the team. Those members who also contributed greatly to the team were Glen Collier, David Ludeman, and Harley Mieth.

Tom Martin, and Greg Saxton were two of the more outstanding J.V. runners. Their addition to the varsity team next year will be welcomed.

A special appreciation goes out to the Cross Country coach, Mr. Buhler.

The 1967 Girls Swim Team represented our school well, losing only three events of the season. The girls placed fourth in district and were able to qualify for the state swim meet held in Eugene. Holding the position of captain on the girls team was Jana Johnson.

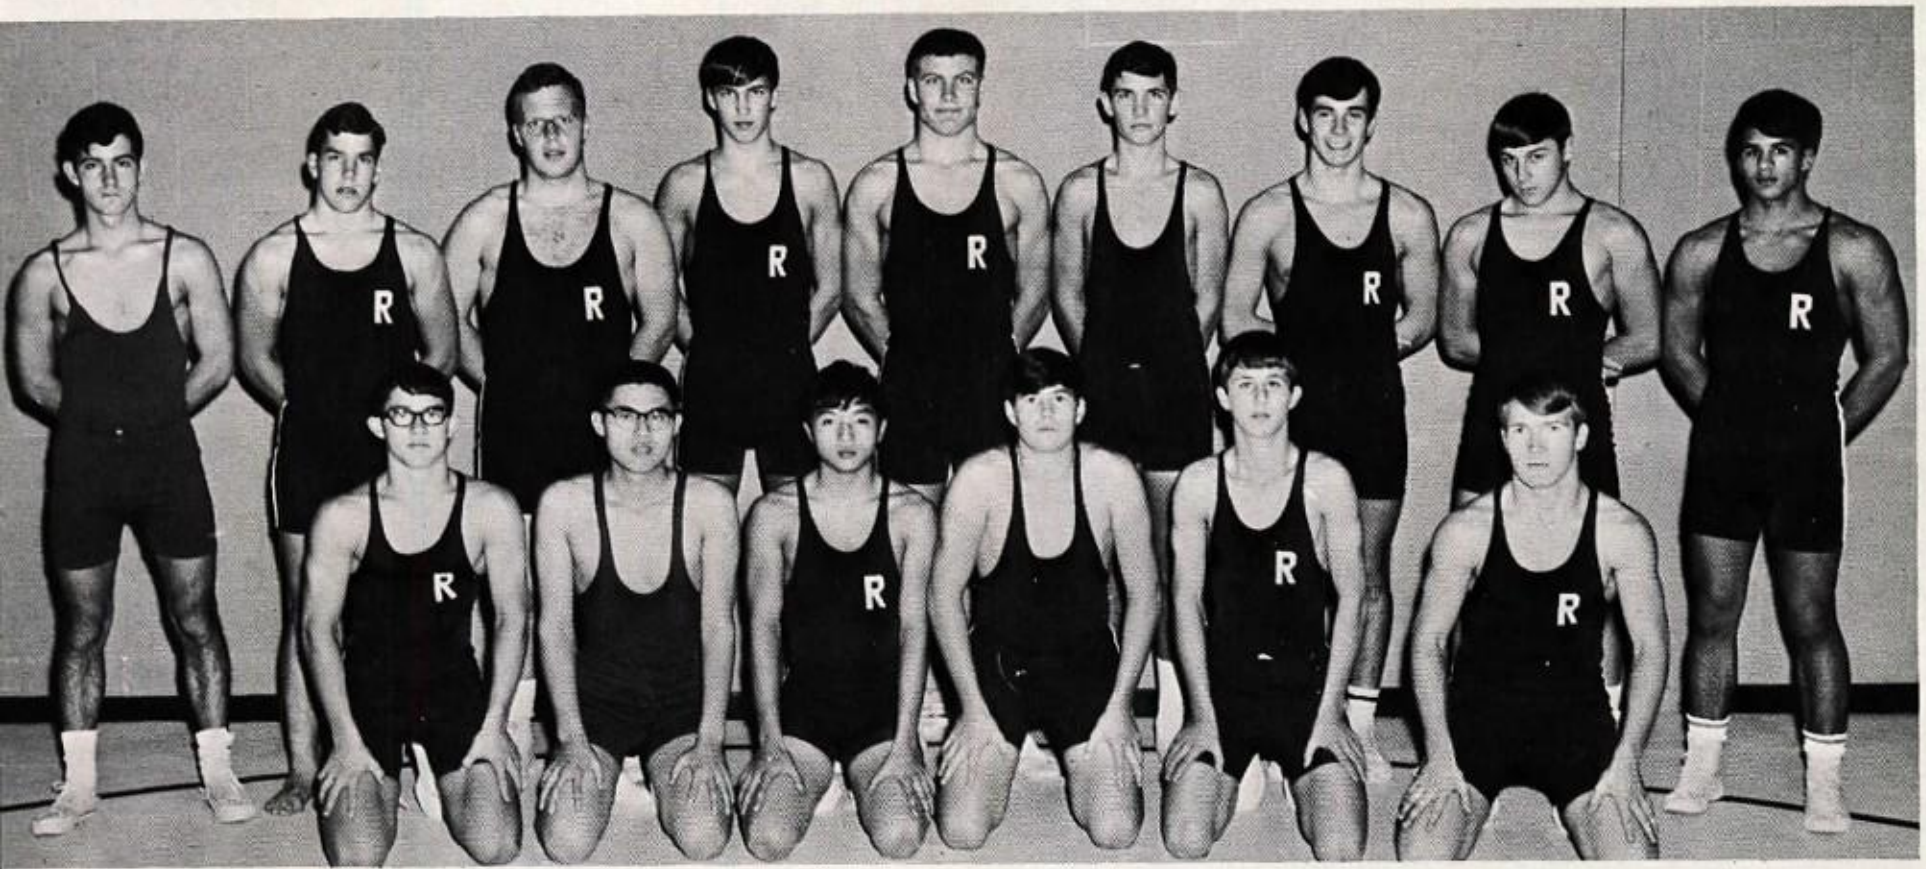

This year's Boys Swim Team lost all of their meets but did gain some second place honors. The boys were led by Captain Steve Reardon. Richard Hoffman was a great help to the boys, gaining them many first place honors in the 200 and 400 yard freestyle.

Both teams were coached by Mr. Jack Lloyd.

Ed Lipscomb clears the bar at 14' 1" for new school record.

Doug Foley running the mile.

Track and Field

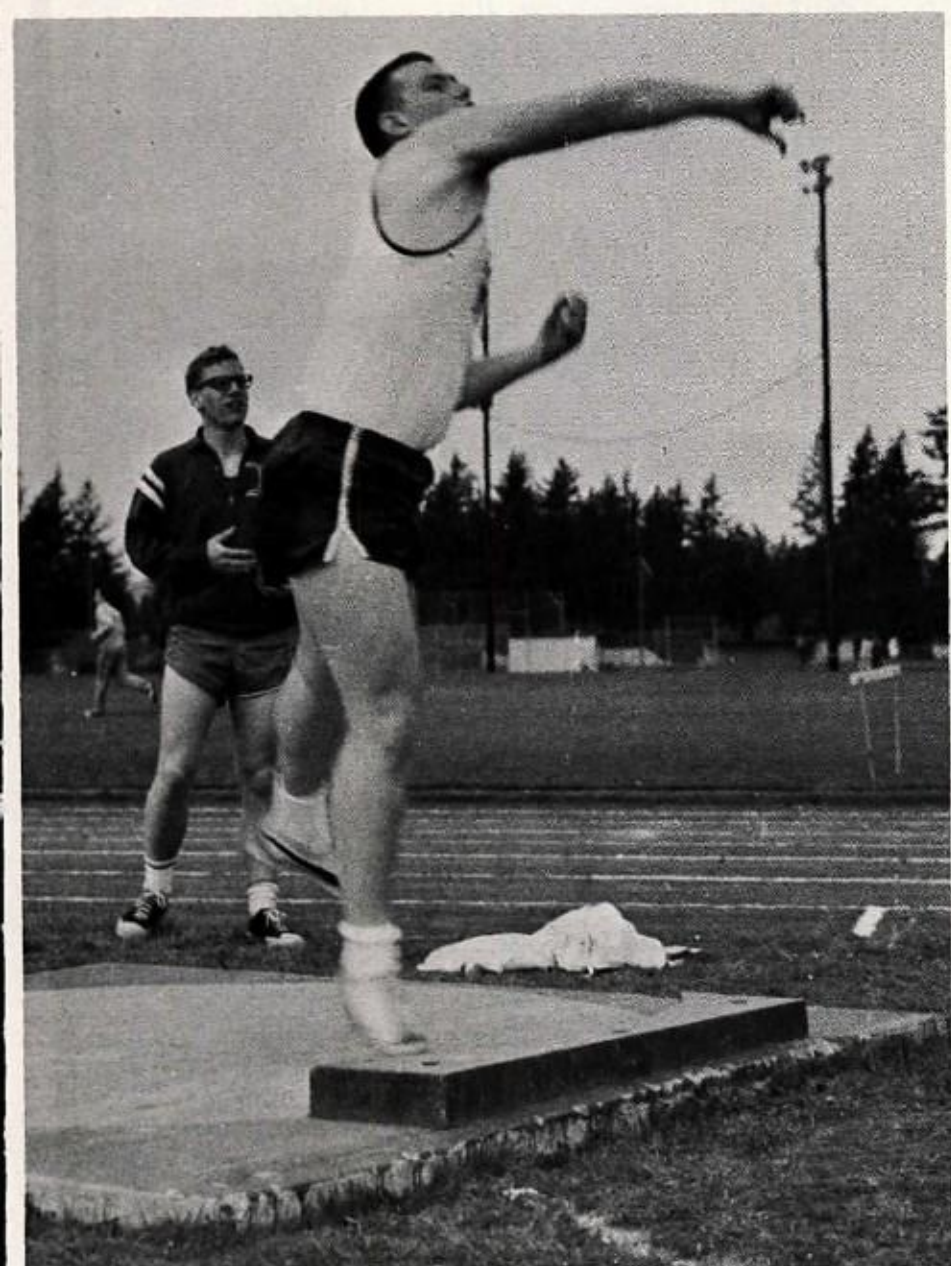

This year's track team saw three school records broken: the pole vault, mile relay, and the 440 yard relay.

Junior pole vaulter Ed Lipscomb raised the pole vault record from 12'4" to the present record of 14'6", when he took second in the State meet.

The mile relay team consisting of Juniors Dick Luther and Steve Doty, Freshman Bob Taylor, and Senior Bob Kostuba brought the mile relay time down from 3:42.9 to the new record of 3:32.5.

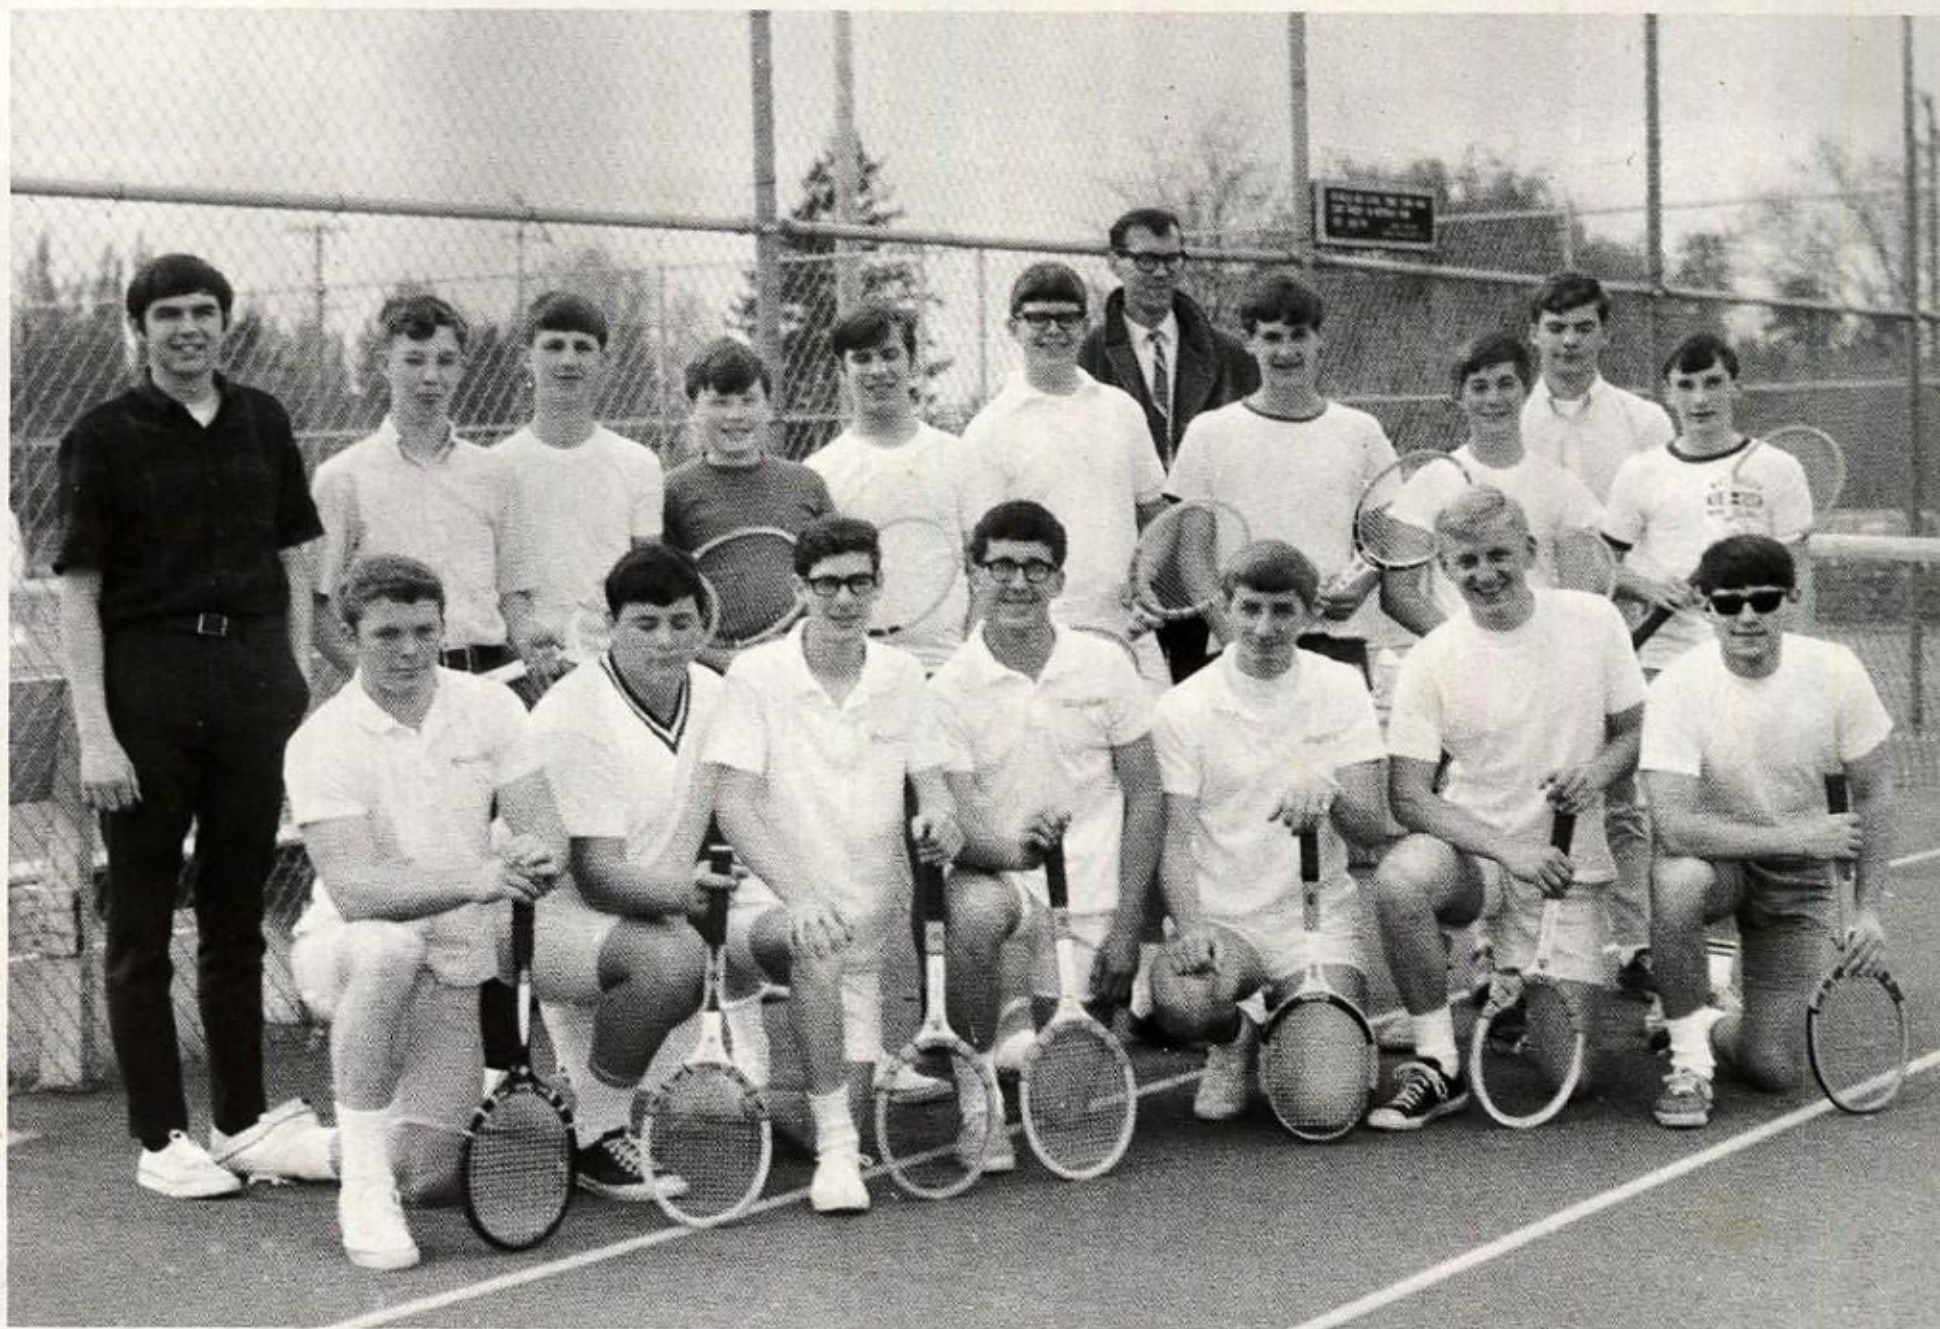

The 440 yard relay team consisting of Greg Handy, Steve Doty, Dick Luther, and Bob Kostuba cut the 440 yard relay time down from 46.2 to 44.5, when they placed in the district meet, and missed going to state by inches.

This year's Junior Varsity District again saw Reynolds run away with the meet by compiling 146½ points. LaSalle was second with 61 points. High scores were Mark Ferris and Mike Schwingel with 21½ points each, followed by Grant Radke with 18 points.

Ken Otto, top lancer shot putter.

Boy's Tennis Team
